## TOURS

### Thursday - GEORGIA AQUARIUM and OLYMPIC CENTENNIAL PARK (option on your own: WORLD OF COKE)

Imagine a fish tank with a viewing window 60 feet long and 27 feet high—and that's on the 'narrow' side of the tank! The Georgia Aquarium features eight million gallons of fresh and marine water displays and more aquatic life than found in any other aquarium. The adjoining Olympic Centennial Park with its legendary fountains is an ideal place to enjoy refreshments under the spectacular Atlanta skyline.

### Friday - FERNBANK MUSEUM OF NATURAL HISTORY and ATLANTA BOTANICAL GARDENS

The Fernbank Museum has the first fully mounted Argentinosaurus, the largest dinosaur ever classified. It weighed over 100 tons and measured more than 123-feet-long. The permanent and special exhibits offer fascinating adventures for every member of the family. The Atlanta Botanical Gardens boast spectacular indoor and outdoor collections, and has the largest public display of carnivorous plants and includes an amphibian breeding program for frogs native to Central and South America.

Each day's tour costs \$50 for adults and \$40 for children (12 or under)

## NOT AN ACA OR AAAA MEMBER?

The Fish Auction includes rare and endangered cichlids in addition to some of the show fish and their offspring.

This is a one time opportunity to see (and bid on) these rare, beautiful and fascinating fish. You may go home a complete Cichl-idiot!
