ACA Cichlid Speaker Program

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals.

You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Gene Aldridge, Jr., 1185 North Van Dorn St., Alexandria, VA, 22304-1914, 703-931-9177. It is imperative to get in touch with Gene because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required.

Transportation for the speaker should be arranged by you. After receiving permission to proceed from Gene, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power! Speakers Available for this program:

Sponsored by Marineland:

Pam Chin, 7230 High Hill Dr, Sloughhouse, Ca 95682, 916-682-3742 Pam@cichlidae.com

Guidelines for Trading Post Advertisements

ACA members only may advertise in the **Trading Post**. The first ten lines (Sells/Wants) are free. Additional lines are \$5.00 (U.S.) each. Payment and ads must be received by the 15th day of even numbered months. *The next deadline is Tuesday August 15th, 2000.*

HOW TO SEND YOUR AD:

- (1) **E-mail** the ad to ehannean@uswest.net.
- (2) **FAX** the ad to 541-342-7050 (9AM to 10PM PST usually).
- (3) **Mail** it to Eric Hanneman, 1038 E. 21st Avenue, Eugene, OR 97405.

RULES FOR SELLERS:

- (1) Your name, address, and shipping instructions have to fit on two lines.
- (2) Only cichlid species and books may be listed.
- (3) Do not list a fish for sale unless you have it in your possession. State whether live arrival is guaranteed or not.
- (4) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name; add "AS" for Aquarium Strains.
- (5) Up to two morphs per line, but only one size and price per line.

NOTE: The Trading Post will not list known hybrids (e.g. red parrot cichlid, OB and "hybrid" peacocks, Cichlasoma sp. "ebano"). Aquarium developed fin shape and color mutants are allowed. The editor reserves the right to standardize names and determine whether a fish is a true species, color form, or hybrid. His decisions can be overruled by the BOT.

ADVICE FOR BUYERS:

Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers and breeders. Listings that lack a photo reference, include a color in the description, or end in "AS" (Aquarium Strain), may be hybrids between two species. The ACA does not knowingly allow hybrids to be advertised.

SAMPLE AD:

Name, Address, Phone, e-mail and Shipping Instructions (2 lines)

Species Name	Photo Ref. (14:23,24)	Size ("	Price (ea)

CALL FOR NOMINATIONS

American Cichlid Association (ACA) elects four members to Board of Trustees (BOT) each year. An elected trustee is expected to serve for two years. Any member may nominate another member or may nominate themselves. A nominee must be an ACA member for one year, there are no other requirements.

Please submit a summary of each nominee's past and present association with cichlids, ACA and accomplishments that have or will benefit ACA to:

Bob Randall
 loc038@attglobal.net
 or to:
 965 Beacon Lane; Apple Valley, MN; 55124

Summaries are required to be 80 words or less, longer summaries will be edited. If there are more than eight nominations, a group of eight will be selected based on geographical distribution. Summaries of nominees will be published in future editions of Buntbarsche Bulletin and Trading Post. Last year nominations closed on 31 July, it is expected they will close on that date again unless the BOT votes to extend the call.

TRADING POST EDITOR DESIRED

I have been the Trading Post editor for three years. I have slashed the cost of TP by throwing out the species list, reducing the font size, and squeezing things into as little room as possible. Going from 20 pages to 16 saved printing costs and got the TP under an ounce, cutting postage.

I have tried to be a voice for consistency in names of fish, and pushed to remove hybrids, both known and otherwise, in the name of conservation. The searchable online database actually serves as a defacto species maintenance program. To stay in it, stay a member.

But it is time to move on. Please contact Wayne Leibel or me if you are interested in this job. Its a great way to make friends and get lots of email.
