ACA Cichlid Speaker Program

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals.

You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required.

Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

Speakers Available for this program:

Guidelines for Trading Post Advertisements

ACA members only may advertise in the Trading Post. The first ten lines (Sells/Wants) of cichlids are free. Additional lines of cichlids are \$5.00 (U.S.) each. Other fish are \$10.00 a line even if it is your only line. Payment and ads must be received by the 15th day of even numbered months. *THE NEXT DEADLINE IS OCTOBER 15TH, 2001.*

HOW TO SEND YOUR AD:

- (1) Post online at E-Classifieds at cichlid.org available 24 x 7.
- (2) E-mail the ad to acatp@cichlid.org or seaking@chemist.com.
- (3) FAX the ad to 208-275-0808 (Available 24 hrs).
- (4) Mail it to **John Iszczyszyn**, PO BOX 346, Stillman Valley, IL, 61084.
- (5) Phone (Wireless) 815-501-1188 between 8:00 to 12:00 pm CST.

RULES FOR SELLERS:

- (1) Your name, email or website, phone #, in the bold header and complete address, shipping and any other instructions have to fit on the second line.
- (2) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name.
- (3) Up to two color morphs per line, but only one size and price per line.

NOTE: The Trading Post will not list bizarre fish/hybrids . The editor reserves the right to standardize names and determine whether a fish is appropriate to list. His decisions can be overruled by the BOT.

ADVICE FOR BUYERS:

Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers and breeders. Listings that lack a photo reference, include a color in the description. Find out if the seller has the fish in their possession and if live arrival is guaranteed.

To the rest of the school:

CHANGES AT THE ACA:

Let's all thank David Herlong for his major effort in putting together the BB for 8 years. Lets welcome the new BB editors; Eric Hanneman, Managing Editor; Lee Newman, Articles Manager; Erik Olson, Production Editor; Chuck Rambo, Advertising Editor. Please support them by writing and sending in articles. Also, lets thank Mark Barnett for his fine job as the Membership Chair and welcome aboard Ed Young as the new Membership Chair. You will find Ed's address and email on pages 2,4,19. Please send your dues to the new address and direct any membership questions to Ed's email.

VOTE PLEASE VOTE:

Please read the biographies and statements from the candidates for the Board of Trustees(BOT). Please return the ballot with your choices for the BOT. Please vote! This is your chance for a voice in the makeup and direction of the ACA. Also, vote on the changes to the ACA BY LAWS. These changes can be found at the website cichlid.org.

WANTED ACA WEBMASTER:

The ACA needs your help. We are looking for a new webmaster(s) to administer the website. After many years of service John Benn has announced that he would like to step down as the webmaster. If you or someone you know is interested in being the webmaster or helping out please contact Wayne Leibel or any of the BOT members. Please find contact information on page 2.

So there it is...but then again, I may be all wet!!!

Board of Trustees (BOT) Candidates

Scott Arney

With over 30 years of keeping cichlids, I believe the most rewarding time has been my last two years serving the membership of ACA as an elected Trustee. We have accomplished a lot by increasing financial stability of ACA and adopting a new set of Bylaws to better govern ACA. However, a lot of work must still be done, a new look for BB bulletin and ACA website just beginning. I would like your continued support for the next two years.

Phil Benes

Phil is the Director of research for a chemical company. Phil has kept and bred fish for over 35 years. He now maintains over 80 aquariums. Phil is currently Vice President of Greater Cincinnati Aquarium Society, a current ACA BOT member and was Convention Chair for ACA Convention 99. Phil has chaired Water Wonderland show in Detroit and is past president of both Michigan Cichlid and Dallas Aquarium Associations. Phil's business background, club and show management, as well as his love for cichlids will continue to prove an asset to ACA.

Chris Borgese

I have been raising and breeding cichlids for 25 years, currently running over 120 tanks in my fish room. I have held various positions within North Jersey Aquarium Society, but now serve as Webmaster. I organized the NJAS Extravaganza 98 and 99. I actively show my fish at all Northeast (NEC) Council Shows. I have attended every ACA Convention since ICC3 in New Orleans. I believe my organizational skills, evident, as I was Convention Chair for ACA Convention 2001 in New Jersey, will benefit ACA if elected as a Trustee.

Claudia Dickinson

Two years ago you so graciously gave me the opportunity to serve on the BOT. My credentials are located in the September 1999 TP. These have not changed, but for a few exceptions: I care more deeply than ever about the ACA and you, the membership. I have a few thousand gallons more of fish (*!*), and I am even more passionately committed in my drive to make progressive strides towards bringing public awareness to the conservation of our cichlids!

James Davie

I wish to serve the ACA as an elected Trustee. I have kept cichlids for 37 years, including many different African and South/Central American cichlids. I presently own Finnyas Finn Aquarium and website (Finnyas.com) which specializes in African cichlids. I am a member of the Central New York Aquarium Society (3 years), Ohio Cichlid Association (3 years) and ACA (3 years).

Board of Trustees (BOT) Candidates

Jeffrey Filz

I opened a fish shop 8 years ago, currently specializing in cichlids and catfish. I also work as a Marineland sales ambassador. I am a member of ACA (7 years), Greater Chicago Cichlid Association (6 years), Green Bay Aquarium Society (GBAS, 6 years) and Milwaukee Aquarium Society (5 years). I started keeping fish about 15 years ago. I enjoy all types of fish and facets of aquarium hobby.

John Hansen

John, an avid cichlid hobbyist for 40 years and a life member of ACA, currently maintains 11,400-gallon hatchery. He has bred over 100 different cichlids, has owned and operated retail and wholesale fish businesses. He held elected offices in Colorado Springs and Denver Cichlid Societies, as well as taking an active role in hosting ACA Convention 87 in Colorado Springs. He is a member of Texas Cichlid Association. His priority is to educate young people about tropical fish hobby.

Mark Whitney

I have been a member of ACA for 20 years. I am an elementary school principal. I also have been a member of the Colorado Aquarist Society and Rocky Mountain Cichlid Group. I have attended several national conventions. I have raised African cichlids for 25 years specializing in "peacocks". I think it would be great to have someone from the Western USA represented on the BOT.
