**ACA Cichlid Speaker Program**

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals.

You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required.

Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

Speakers Available for this program:

**Guidelines for Trading Post Advertisements**

ACA members only may advertise in the Trading Post. The first ten lines (Sells/Wants) of cichlids are free. Additional lines of cichlids are \$5.00 (U.S.) each. Other fish are \$10.00 a line even if it is your only line. Payment and ads must be received by the 15th day of even numbered months. *THE NEXT DEADLINE IS DECEMBER 15TH, 2001.*

**HOW TO SEND YOUR AD:**

- (1) Post online at E-Classifieds at [cichlid.org](http://cichlid.org) available 24 x 7.
- (2) E-mail the ad to [acatp@cichlid.org](mailto:acatp@cichlid.org) or [seaking@chemist.com](mailto:seaking@chemist.com).
- (3) FAX the ad to 208-275-0808 (Available 24 hrs).
- (4) Mail it to **John Iszczyszyn**, PO BOX 346, Stillman Valley, IL, 61084.
- (5) Phone (Wireless) 815-501-1188 between 8:00 to 12:00 pm CST.

**RULES FOR SELLERS:**

- (1) Your name, email or website, phone #, in the bold header and complete address, shipping and any other instructions have to fit on the second line.
- (2) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name.
- (3) Up to two color morphs per line, but only one size and price per line.

NOTE: The Trading Post will not list bizarre fish/hybrids . The editor reserves the right to standardize names and determine whether a fish is appropriate to list. His decisions can be overruled by the BOT.

**ADVICE FOR BUYERS:**

Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers and breeders. Listings that lack a photo reference, include a color in the description. Find out if the seller has the fish in their possession and if live arrival is guaranteed.

**ACA Slide/Tape Program Rentals**

To the rest of the school:

This is my last TP. I enjoyed giving some thing back to the membership. I hope you got a more readable and improved TP. It was nice to see some of the older advertisers return and the increase in ads. It was nice to email and talk to most of you. Happy Holidays to all and a Happy New Year 2002 !!!

### **ACA Convention 2001 New Jersey**

Hats off to Chris Borgese and the North Jersey Aquarium Society members who worked hard to pull of a effecient, friendly and successful Convention. I met a "Pixel Princess", and her husband Joe. Nice people, hope the cruise to Alaska was fun. It was nice to get some real Italian food. If you didn't attend you missed a good one. You could have had a dark & stormy. You could have joined in the singalong in the hospitality suite. I missed the red kool-aid mix from the other Chris. You missed the encounter between Chris and a very large pleco. I have the picture. Chris needs to work less hours and spend more fun time with his girlfriend. The speakers were top notch. Dick Au gave an excellent no nonsense, straight forward, down to earth talk on keeping and raising Discus that even I could understand and follow. The glass fish sculpture awards were a very nice touch. Thanks for the "PLECKO SUCKS" hat.

### **ACA Chat Room**

Join your host Kathy England at 8:00 pm CST every Tuesday to talk about any cichlid issues. Drop by and say Hi. Kathy will also have speakers attending. So, ask the experts questions or get most great advice. A great way to get to meet people from other parts of the country. So, join Kathy a warm, friendly Texan and keep her company. Just follow the prompts on the website cichlid.org and hope to meet you online.

I would like to see the Trading Post be available to the public to view. This would maximize the exposure and benefit to the advertisers. Still keeping the ACA membership requirement to list an ad.

Beware of PhD's in the hobby. Most PhD's are only interested in getting their name on a patent or trying to make a name for themselves. Just look at the never ending fish name and rename, splitters and lumpers fiasco.

So there it is ...but then again, I may be all wet!!!
