ACA Cichlid Speaker Program

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals. You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required. Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

Guidelines for Trading Post Advertisements

ACA members only may advertise in the Trading Post. The first ten lines (Sells/Wants) of cichlids are free. Additional lines of cichlids are \$5.00 (U.S.) each. Non cichlid fish are \$10.00 a line even if it is your only line. Payment and ads must be received by the 15th day of even numbered months. **THE NEXT DEADLINE IS April 15th, 2003.**

HOW TO SEND YOUR AD:

- (1) **E-mail** the ad to ellenbej@pacbell.net
- (2) **FAX** the ad to 408.927.8301 (Available 24 hrs).
- (3) **Mail** it to **Jim Ellenberger**, 6749 Elwood Road, San Jose, CA 95120-5401.
- (4) Phone 408.323.0693 home, from 5:00 pm - 9:00 pm M-Sat, from 10:00 am - 9:00 pm Sunday, Pacific time.

RULES FOR SELLERS:

- (1) Your name, email or website, phone #, in the bold header and complete address, shipping and any other instructions have to fit on the second line.
- (2) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name.
- (3) Up to two color morphs per line, but only one size and price per line.

NOTE: The Trading Post will not list bizarre fish/hybrids. The editor reserves the right to standardize names and determine whether a fish is appropriate to list. His decisions can be overruled by the BOT.

ADVICE FOR BUYERS:

Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers, or breeders. Listings that lack a photo reference, or include a color in the description may also be made up. Find out if the seller has the fish in their possession and if live arrival is guaranteed.

Editor's Soapbox

Every time I produce the TP, I always save the best for last... this editorial. Actually, this is the hardest part, finding something to say that makes sense. Sometimes I have a good idea and I just go with it. Sometimes I really don't know what to write and I just try and fill the space... like now.

I know that the annual convention isn't until July, but it is not too early to start planning. I've already booked my room and purchased my airline ticket. I hear that the hotel is already filling up, and I got a really good rate, until I realized that I had booked the week BEFORE the convention. Because I was so intent on those dates, I even booked my air travel for that week as well. So could everyone show up a week early so that I will have someone to talk to? I got everything straighten out with both the airline and the hotel (thanks goodness). So make your plans for July 17th to the 20th... make that July 24th thru the 27th to be in Cincinnati Ohio. (Notice that the new username and password is XXXX XXXX. A Phd thought up that one. Sorry Ron, I couldn't resist!)

On to more ACA business: Craig Morfitt has been appointed the ACA Club Liaison. This position will be a conduit for information to pass from the ACA to your local club, and also back to the ACA. Craig has a few clubs signed up (someone volunteered from each club) but he needs more. Please drop Craig a line, email, whatever, and let him know that you can help him out. The position is more of a messenger than anything else. You can find Craig's information on page 3.

Keep sending in your ads, because if you don't you will get a nasty email from me, and then you would have to read more of my ramblings!

- Jim

Call for Nominations

The American Cichlid Association (ACA) is seeking nominations for Board of Trustees (BOT). Our trustees implement how the ACA impacts cichlid conservation and knowledge of Cichlidae by approving research grants to study these subjects. Other BOT tasks include selecting volunteers to publish Buntbarsche Bulletin and Trading Post, to act as Webmaster and many other less obvious roles. The BOT also awards our annual convention to a host club. Of course BOT wrestles with fiscal responsibility and legal matters as well.

Members may nominate themselves but all nominees must be ACA members for at least one year. Nominees will need to include an 80 word or less summary of how they will benefit ACA by serving as a trustee, past service activities with ACA or local clubs and any other pertinent information. Eight nominees will be selected to fill five vacancies this year. Nominees will be selected based on ACA bylaws (i.e. merit, geographical balance, etc.).

Nominations close on 31 July. Submit nominations via email to bobrfish@yahoo.com or U.S. mail to Bob Randall, 965 Beacon Lane, Apple Valley, MN 55124.
