**ACA Cichlid Speaker Program**

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals. You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required. Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

WOW, what a packed issue! You will notice that I used up all of the space for your ads. I must apologize to those that requested that I run ads for their ACA Liaison club events, and I even bumped the B.I.T.C.H.s. I just don't have the room. I am sure that I will get even more ads for the July Convention issue, so I will have to add an extra page. By the way, notice that the deadline for the July issue has been moved up by a few days so don't be late.

It's May already... where has the time gone? I remember the convention in Atlanta, and all the fun that I had. And now, the convention in Cincinnati is just in a couple of months. I hear rumors that the hotel is nearly booked, and that Ron Georgeone has some killer fish this year to enter in the show... so what's new?

I want to thank everyone that sends in his or her ads via email. It saves me a lot of typing. I have asked everyone to drop the ads into Excel, but I found that a lot of you do not know how to use Excel, so... I'll take it anyway you can give it. I got a message from Tom DePiro and he said that he just has problems using a computer. I thought that we are in the 21st century, not back in the 70's! For those of you that do send your ads in via email, and just type your ad in the email, please don't try to line everything up, it just causes more problems. Just put two spaces between the name, the size, and the price and you will make me a happy guy. (I'm usually a happy guy anyway and I'd like to stay that way.)

So please get your ads in early (like Mike Reily) so I don't have to go chasing you down (Jeff Rapps). If you want to get onto my email notification list, shoot me an email and I'll be happy to add you to the list. Just don't have me chase you down!

- Jim

# Call for Nominations

The American Cichlid Association (ACA) is seeking nominations for Board of Trustees (BOT). Our trustees implement how the ACA impacts cichlid conservation and knowledge of Cichlidae by approving research grants to study these subjects. Other BOT tasks include selecting volunteers to publish Buntbarsche Bulletin and Trading Post, to act as Webmaster and many other less obvious roles. The BOT also awards our annual convention to a host club. Of course BOT wrestles with fiscal responsibility and legal matters as well.

Members may nominate themselves but all nominees must be ACA members for at least one year. Nominees will need to include an 80 word or less summary of how they will benefit ACA by serving as a trustee, past service activities with ACA or local clubs and any other pertinent information. Eight nominees will be selected to fill five vacancies this year. Nominees will be selected based on ACA bylaws (i.e. merit, geographical balance, etc.).

Nominations close on 31 July. Submit nominations via email to [bobrfish@yahoo.com](mailto:bobrfish@yahoo.com) or U.S. mail to Bob Randall, 965 Beacon Lane, Apple Valley, MN 55124.
