## ACA Cichlid Speaker Program

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals. You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 15 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required. Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!
