### **ACA Cichlid Speaker Program**

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals. You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 15 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required. Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

Speakers Available for this program:

**Guidelines for Trading Post Advertisements**

**ACA members only may advertise in the Trading Post.** The first ten lines (Sells/Wants) of cichlids are free. Additional lines of cichlids are \$5.00 (U.S.) each. Non cichlid fish are \$10.00 a line even if it is your only line. Payment and ads must be received by the 15th day of even numbered months. **The deadline is posted throughout every issue of the Trading Post.**

**HOW TO SEND YOUR AD:**

- (1) **E-mail** the ad to ellenbej@pacbell.net
- (2) **FAX** the ad to 408.927.8301 (Available 24 hrs).
- (3) **Mail** it to **Jim Ellenberger**, 6749 Elwood Road, San Jose, CA 95120-5401.
- (4) Phone 408.323.0693 home

**RULES FOR SELLERS:**

- (1) Your name, email or website, phone #, in the bold header and complete address, shipping and any other instructions have to fit on the second line.
- (2) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name.
- (3) Up to two color morphs per line, but only one size and price per line.

**NOTE:** The Trading Post will not list bizarre fish/hybrids. The editor reserves the right to standardize names and determine whether a fish is appropriate to list. His decisions can be overruled by the BOT.

**ADVICE FOR BUYERS:**

**Caveat Emptor!** The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers, or breeders. Listings that lack a photo reference, or include a color in the description may also be made up. Find out if the seller has the fish in their possession and if live arrival is guaranteed.

## Editor's Soapbox

---

---

Well, only a few more days until the convention... I can't wait. For only the second time since I have been going to the conventions, I get to drive. I know that all you guys and gals in the Midwest almost always get to drive, but now it is the people in the West that get a chance to drive. My trip is only about 22 hours of straight thru driving. Oh, the other convention was in 1995 when my club held it in San Jose, California. Yea, I got to drive, but I also had to work really, really hard! I know that 22 hours seems like a long drive, but I only have to go 1,220 miles, and I will have a few others along to help with the driving. We will only pass thru five states: California, Nevada, Utah, Wyoming, and then Colorado. We may make a stop in Nevada for a while ;- ) but breeze right thru Utah. I know the trip there will be fun, but I'm not sure of the drive home. I think we will be pretty tired by then and may just have to make a longer stop in Nevada!

One nice thing about driving, which of course all of you Midwesterners know, you can bring a lot more fish or you can take a lot more home with you. Every year I fly, and I am limited to what I can fit in my 56 quart cooler. The breathable bags help somewhat, but if you have big fish, or ones with spines, you need to put them in regular bags, and thick ones at that. The air in the bags takes up too much room so the number of fish is greatly reduced. Also, when you drive, you don't have to tell someone that there are fish in the box (although the guys from Portland don't bring fish, they bring beer, they take fish home). Sometimes I envy you Midwesterners, but then again, all I have to do is look outside and be thankful that I live here in California.

Speaking of the guys from Portland, I hear that they are renting a motor home for the trip. I'm sure that it will be full of beer when they start out, but I don't know if there will be any left by the time they get to Denver! Just think of all the bottles they will have. If they turn them in, they may have enough money to pay for their gas. That would be a lot of bottles.

See you in Denver - **Jim**

# CALL FOR NOMINATIONS

The American Cichlid Association (ACA) is seeking nominations for Board of Trustees (BOT). Trustees implement how the ACA impacts cichlid conservation and increases knowledge of Cichlidae by approving research grants. The BOT also determines how ACA members are served when selecting volunteers to run our publications and web site, selecting local clubs to run an ACA convention and what items (books, posters, etc) ACA sells to members. Maintaining sound fiscal policy is another responsibility of BOT. These are a few of areas BOT deals with for ACA members.

More often than not an ACA member will nominate themselves. The only rule is the nominee must be an ACA member for at least one year. Nominations should include why nominee believes they can benefit ACA, service activities related to ACA or local clubs and any other information of nominees activities with cichlids. Eight nominees will be selected to run for four vacancies this year. Nominees will be selected based on ACA bylaws, i.e. merit, geographical balance, etc.

Submit your nomination to:

Bob Randall

# Babes In The Cichlid Hobby

“Excellence Through Experience”

## Annual Silent Auction

July 22 - 25

ACA Convention  
Denver, Colorado

We need your help; we need some items that will bring in some big cash. Yes, we still want your books, collectibles and other fish related goodies. However, we need to increase the dollar amount of this event that supports such a worthy cause. Please go through you fish room and closets and find fish related items that will raise money for Cichlid Research and Cichlid Conservation. We are dependent on your donations, please make this auction bigger and better, we can do it, but we need some big-ticket items to raise some big cash! Please won't you help us, and help support Cichlid Research and Cichlid Conservation.
