ACA Cichlid Speaker Program

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals. You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 15 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required. Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

Guidelines for Trading Post Advertisements

ACA members only may advertise in the Trading Post. The first ten lines (Sells/Wants) of cichlids are free. Additional lines of cichlids are \$5.00 (U.S.) each. Non cichlid fish are \$10.00 a line even if it is your only line. Payment and ads must be received by the 15th day of even numbered months. **The deadline is posted throughout every issue of the Trading Post.**

HOW TO SEND YOUR AD:

- (1) **E-mail** the ad to ellenbej@pacbell.net
- (2) **FAX** the ad to 408.927.8301 (Available 24 hrs).
- (3) **Mail** it to **Jim Ellenberger**, 6749 Elwood Road, San Jose, CA 95120-5401.
- (4) Phone 408.323.0693 home

RULES FOR SELLERS:

- (1) Your name, email or website, phone #, in the bold header and complete address, shipping and any other instructions have to fit on the second line.
- (2) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name.
- (3) Up to two color morphs per line, but only one size and price per line.

NOTE: The Trading Post will not list bizarre fish/hybrids. The editor reserves the right to standardize names and determine whether a fish is appropriate to list. His decisions can be overruled by the BOT.

ADVICE FOR BUYERS:

Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers, or breeders. Listings that lack a photo reference, or include a color in the description may also be made up. Find out if the seller has the fish in their possession and if live arrival is guaranteed.

Join the American Cichlid Association!

Editor's Soapbox

The convention has come and gone, and I had a lot of fun. The dreaded car trip was a blast with only one minor incident along the way (red and blue lights in Winnemucca, Nevada, but no ticket). We didn't get to see much of Utah on the way to Denver, but we got to see lightning storms on the way back (for guys from California, this is a rarity). Wyoming is a beautiful state, we saw many, many Pronghorn Antelope alongside the freeway. We thought that we would have driven the farthest, but Ken Davis beat us by 300 miles. We did the trip in 22 hours on the way to Denver and 20 hours on the trip back. It took me several days to get back on my feet.

As for the convention itself, the Babes in the Cichlid Hobby outdid themselves with the Guy Jordon Auction on Friday night. They made a lot more money per bag than what they were going for at the silent auction. I think the reasons were that a lot of people showed up to the auction, they were all ACA members, since they were ACA members they were very knowledgeable about the fish, the Babes were very entertaining, and the bidders were very well lubed (not quite intoxicated) for the auction. I'm not sure what they have planned for next year, but I know that they will somehow top themselves.

I did make a few of the talks, most were very good, but the best talk was one of the "unscheduled" ones. This was the Babes Midnight Madness on Saturday at midnight. They brought out a mystery speaker, none other than my good friend Chuck Rambo. He talked about how he got started in the cichlid hobby with many photos of his early trials with cichlids. This was the funniest talk that I have ever heard, and I've heard it before! The problem was since there wasn't a microphone, Chuck had to wait to say the punch line when everyone was quiet, and that just made it all the more humorous. This would have been a great banquet speech. Most everyone had tears in their eyes from laughing so hard. I still chuckle when I think about it. The really funny thing is that Chuck isn't that funny in real life. I know because I see him about every other day, maybe more now!

ACA 2005 BOT NOMINEES

Claudia Dickinson

In 1999, and again in 2001, you so graciously granted me the opportunity to serve on the ACA BOT. Currently ACA Ambassador-at-Large, Membership Coordinator, representative Aqua Havens for Education, Life Member. GCAS BOD, Membership, Programs, Associate Editor, NEC Delegate. My credentials barely differ, but for a few important exceptions: my fishroom focuses more intensely towards conservation, I am even more passionately committed to impressing progressive public awareness on conserving our cichlids, integrating our youth, and I care more deeply than ever about the ACA...and you, the membership!

Jim Ellenberger

I joined Pacific Coast Cichlid Association (PCCA) in 1988 and served as director, production editor, auction, BAP, and membership chairs. At the end of 1995, the PCCA awarded me a Lifetime Award. I joined ACA in 1993, am a Life Member, and am the current Trading Post editor. I attended the BOT meetings for the past three years and am aware of ACA issues. I believe the Guy Jordan Auction could become a better auction. I am ready to voice the member's opinions at BOT meetings.

Ken Davis

Ken has been active in the Aquarium hobby for over 40 years as a hobbyist, breeder, wholesaler, and retailer. He is the President of the Atlanta Area Aquarium Association (1995 to present). Served three terms on the BOT of the ACA (1998-2001, 2003-2004) Serving as Chairman of the Board in 1999 and 2004. He was Chairman of the 2002 ACA convention in Atlanta. "I wish to continue to serve to further the growth of the ACA and the cichlid hobby."

Mark Whitney

I am presently the Secretary of ACA Board of Trustees. I was also the Convention Chair for the 2004 ACA Convention held in Denver. I am a member of the Rocky Mountain Cichlid Association. I have raised mostly African Cichlids for the last 31 years. I am a recently retired elementary school principal (35 years). With my education background I want to get more involved with encouraging youngsters to enter our hobby and join the ACA.

Phil Benes

Phil is a Life Member of the ACA. He served on the Board of Trustees of ACA from 1999-2003 and was Chairman of the BOT in 2002 and 2003. Phil is Vice-President of Greater Cincinnati Aquarium Society and a member of several other cichlid and aquarium clubs. He was Convention Chairman for Cichlidaze, the

1999 ACA Convention in Detroit and Cichlidfest Cincinnati, the 2003 ACA Convention in Cincinnati. Phil currently maintains over 100 aquariums and focuses mainly on cichlids, catfish, and rainbowfish.

Randall Kohn

Randall is a member of the North Jersey Aquarium Society, ACA and Apistogramma Study Group where he serves as its West African Technical Editor. He is a nationally published author in several fish publications and co-administrates Apistogramma.com, a web site devoted to dwarf cichlids. Randall presents to numerous local clubs, including the ACA, and was successful in bringing Anton Lamboj and his new book to the 2004 convention. Randall seeks to serve the ACA with emphasis on the Jordan and Loiselle funds.
