ACA Cichlid Speaker Program

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals. You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 15 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required. Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

Guidelines for Trading Post Advertisements

ACA members only may advertise in the Trading Post. The first ten lines (Sells/Wants) of cichlids are free. Additional lines of cichlids are \$5.00 (U.S.) each. Non cichlid fish are \$10.00 a line even if it is your only line. Payment and ads must be received by the 15th day of even numbered months. **The deadline is posted throughout every issue of the Trading Post.**

HOW TO SEND YOUR AD:

- (1) **E-mail** the ad to ellenbej@pacbell.net
- (2) **FAX** the ad to 408.927.8301 (Available 24 hrs).
- (3) **Mail** it to **Jim Ellenberger**, 6749 Elwood Road, San Jose, CA 95120-5401.
- (4) Phone 408.323.0693 home

RULES FOR SELLERS:

- (1) Your name, email or website, phone #, in the bold header and complete address, shipping and any other instructions have to fit on the second line.
- (2) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name.
- (3) Up to two color morphs per line, but only one size and price per line.

NOTE: The Trading Post will not list bizarre fish/hybrids. The editor reserves the right to standardize names and determine whether a fish is appropriate to list. His decisions can be overruled by the BOT.

ADVICE FOR BUYERS:

Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers, or breeders. Listings that lack a photo reference, or include a color in the description may also be made up. Find out if the seller has the fish in their possession and if live arrival is guaranteed.

Editor's Soapbox

I feel very sorry for all of you east of the Rockies. You see, it has been raining here in California for the past week and by the time you get this Trading Post, you will have seen a whole lot of snow. It may have even delayed the delivery of this Trading Post issue.

Well, the New Year is upon us and what surprises will it bring. I am no psychic, but I do know that there are a couple of changes on the Board of Trustees, as well as a convention that will be held in Fort Worth, Texas in July. I am also predicting that Phil Benes will become Chair for 2005 that we will have a new Buntbarsche Articles Editor as well as a new Layout Editor, and that Ken Davis will not shave his head (but Mo Devlin will). Gosh, this prognostication stuff is easy! Let's see if it turns out this way.

I would like to know why there were so few ads this issue. I know that this time of year is usually slow, but I was a whole page short of ads. I would like to thank my regular contributors: Mike Reilly (who probably has already mailed in his February ad while this issue is being produced), Sandy Brehm (who makes more changes than anyone), Sam Chin (another change artist), and Jeff Rapps (who is almost always the last ad that I receive, but this issue was actually on time). Thanks everyone.

- Jim

Wanted: Layout Editor to Join the Buntbarsche Bulletin Editorial Team

The ACA is seeking an individual who is familiar with the ACA and its membership to fill an open position of Layout Editor on the Buntbarsche Bulletin Editorial Team. This person will be responsible for designing the look and feel of the BB, and laying out the articles and photographs. A knowledge of page layout software, particularly InDesign or PageMaker or Quark, and photo editing software, particularly Photoshop, and familiarity with different font types and their uses is required. A fast computer, either PC or Mac, a DSL or cable internet connection, and the ability to burn CDs are also necessary for the job.

Articles and photographs will be acquired and forwarded to the Managing Editor who will work closely with the Layout Editor. After an issue is assembled, a team of proofreaders suggests final changes. Then the files are burned to CD, and mailed to the Managing Editor, who supervises printing and mailing of the BB from Eugene Oregon.

This is a labor intensive job that is critical for the continued success of the ACA. Serious candidates will move beyond simply placing text and photos, to creating maps, choosing cover photos, and creating other special effects. We are looking for a creative person who also has an eye for detail. The job may require up to 40 hours per issue.

Interested parties should send a letter to the BOT by email (pbenes@cinci.rr.com) stating their qualifications by April 1st, 2004. The new editor will assume responsibility starting with the June 2005 Buntbarsche Bulletin.
