ACA Cichlid Speaker Program

The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, sponsored by Marineland and AquaScience Research Group. Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals. You will need to contact the speaker directly to arrange a convenient schedule. Once the date has been finalized, please contact Chuck Rambo 6474 Baguio Court, San Jose, CA 95119, 408-225-9175. It is imperative to get in touch with Chuck because the ACA has set a limit of 15 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required. Transportation for the speaker should be arranged by you. After receiving permission to proceed from Chuck, you should submit a copy of your invoice for the reimbursement of travel expenses. All societies are limited to one annual participation. Good luck and cichlid power!

Guidelines for Trading Post Advertisements

ACA members only may advertise in the Trading Post. The first ten lines (Sells/Wants) of cichlids are free. Additional lines of cichlids are \$5.00 (U.S.) each. Non cichlid fish are \$10.00 a line even if it is your only line. Payment and ads must be received by the 15th day of even numbered months. **The deadline is posted throughout every issue of the Trading Post.**

HOW TO SEND YOUR AD:

- (1) **E-mail** the ad to ellenbej@pacbell.net
- (2) **FAX** the ad to 408.970.5125 (Available 24 hrs).
- (3) **Mail** it to **Jim Ellenberger**, 6749 Elwood Road, San Jose, CA 95120-5401.
- (4) Phone 408.323.0693 home, 408.209.6589 cell

RULES FOR SELLERS:

- (1) Your name, email or website, phone #, in the bold header and complete address, shipping and any other instructions have to fit on the second line.
- (2) You must use the scientific name of your fish and if possible give a photo reference or state the collecting location. Place trade names and color forms in parentheses after the scientific name.
- (3) Up to two color morphs per line, but only one size and price per line.

NOTE: The Trading Post will not list bizarre fish/hybrids. The editor reserves the right to standardize names and determine whether a fish is appropriate to list. His decisions can be overruled by the BOT.

ADVICE FOR BUYERS:

Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names may be made up by collectors, importers, wholesalers, retailers, or breeders. Listings that lack a photo reference, or include a color in the description may also be made up. Find out if the seller has the fish in their possession and if live arrival is guaranteed.

Join the American Cichlid Association!

Editor's Soapbox

Well, it's almost time again, time for the annual ACA Convention. I so look forward to this every year. I get to see old friends, make new friends, and drink way too much. Oh, I almost forgot, I get to see lots and lots of cichlids! In two whole months, I and many of you will be on our way to Fort Worth, Texas to see those cichlids, and all the other things that I mentioned. I can't wait.

I do have something a little disturbing to report, the lack of ads in this issue of the Trading Post. I don't know what's going on, but many of my regular contributors did not send me ads. This is the issue that makes most of the pre-sales at the ACA convention as the July issue gives little time to make the connection. So if anyone has any ideas as to why this is, please let me know so I can try and correct it.

I must also make a retraction from comments that I made in my last Soapbox column. I received this email from Mark Schmidt, President of the Greater Chicago Cichlid Association:

Hi Jim, I was just rereading the March Trading post and saw in your Soapbox that the ACA in 06' would be in downtown Chicago. I am sorry to disappoint you but, though the convention has been awarded to the Greater Chicago Cichlid Association (GCCA) the actual location will be in Arlington Heights, IL about 20 miles outside the city limits. However, it is very close to O'Hare Airport so it will be very convenient for those flying in. We will have several tours into the city including a behind the scene tour of the Shedd Aquarium, and a boat tour of Chicago Architecture and the Chicago lake front. So, for the record the convention will not be in Chicago but the Chicago area. It will be a great time in the Windy City!

I stand corrected! And I hope to see everyone in Fort Worth in July!

- Jim

ACA Cichlid Conservation Policies for the Trading Post

In 2004 a proposal was approved by the ACA BOT to promote endangered cichlids in the ACA Trading Post. A list of 154 cichlid species can be found at the IUCN's redlist.org. After the webpage comes up then do a search for cichlidae and the list will appear. These cichlids have been evaluated by scientists and it has been determined that these species are either extinct, extinct in the wild, critically endangered, endangered, vulnerable, near threatened or data deficient. In order to promote the propagation of these cichlids, Trading Post will allow free lines in the TP to ACA members to advertise the sale or want of these cichlids. Currently ACA members are allowed a total of ten lines for free with additional lines costing \$5 per additional line. Cichlids on this red list placed in Trading Post will not be charged the \$5 fee if additional lines are required. This will cover all the Lake Victorian, Malagasy and Cameroon Lake cichlids as well as some Central American and South African species. If there are any questions about cichlids on the red list they should be directed to [Charles Rambo@urscorp.com](mailto:Charles_Rambo@urscorp.com). The ACA hopes its membership will review this list and make an effort to obtain and propagate these species for future ACA members.

BOT Props:

Prop 05-02 To appoint Pam Marsh as the BB Layout Editor. **Passed 9 yes votes.**

Prop 05- 03 To grant \$25 to sponsor a class at MAS annual show for 2005. We as a BOT already approved these types of expenditures last year. **Prop passed with 8 yes votes and 1 non-vote.**
