# Trading Post

September

1998

**Guidelines for Trading Post Advertisements**

ACA members only may advertise in the Trading Post. The first ten Sells and/or Wants are free. Additional lines are \$5.00 (U.S.) each. Payment and ads must be received by midnight, PST, on the fifteenth day of even numbered months. ***The next deadline is Thursday, October 15th, 1998.***

**HOW TO SEND YOUR AD:**

- (1) **E-mail** the ad to hanneman@rio.com.
- (2) **FAX** the ad to 541-342-7050 (9AM to 10PM PST usually).
- (3) **Mail** it to Eric Hanneman, 1038 E. 21st Avenue, Eugene, OR 97405.

**ADVICE FOR BUYERS:** Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. All transactions between buyers and sellers from ads in Trading Post are at member's risk. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names are allowed, but may be made up by collectors, importers, wholesalers, retailers and breeders. Listings that lack a photo reference, and/or include a color in the description, or end in "AS" (Aquarium Strain), may be hybrids between two species.

**ADVICE FOR SELLERS:**

- (1) Your name, address, and shipping instructions have to fit on two lines. No other messages are allowed. Only cichlid species and books may be listed.
- (2) Use the full scientific name on your species listing and give a photo reference. If a photo reference is unavailable, give the collection location, and restrict the use of trade names and color. Append "AS" for Aquarium Strains.
- (3) While the Trading Post will not list known crosses (e.g. red parrot cichlid, OB peacock, *Cichlasoma* sp. "ebano"), aquarium developed fin shape and color mutants are allowed, provided the seller appends the name with "AS".
- (4) Up to two morphs per line, but only one size and price per line.
- (5) The editor reserves the right to change advertisements and make errors. The goal of the Trading Post is to sell fish, however the editor will strive to standardize names, for the sake of buyers, whenever possible.

Pulp from the Primary Predator...

St. Louis was the most enjoyable and educational convention in recent memory. Congratulations to MASI on a job well done. And good luck Detroit.

The Board of Trustees reversed their vote of a year ago and restored the **Trading Post** to 10 sells or wants. While I lobbied for this change, I also hoped that the BOT would maintain the high standards I set for naming conventions in TP. However, they suggested I relax my position against trade names and allow, for instance, Sc. fryeri "hap electric blue". I guess it was either this or only allow wild types period (just Oscars, no long fin red double mutants). In any event, I am so busy right now I hardly even corrected the spellings of the Malawi mess. Meanwhile, I am now lobbying to change the name of the organization to the *American Ornamental Cichlid Association*. If some of you sent money assuming only 5 lines, give yourself a credit next month. For you double advertisers, please keep a fish with one advertiser, it really simplifies my database duties.

The ACA web site is about to go public, so you will no longer need a password (for now, just use an old password). Instead, the on-line TP will now run two months behind the printed version. So if you want first access to those fish, join up now. The on-line TP remains the ACA's best alternative to a species maintenance program, searchable for TP entries now almost two years old. You can place an ad on-line, or just email me.

One year down. How many more will you be stuck with me?

---

---

### ACA Member Web Site

The online **Trading Post** is found at <http://www.petsforum.com/acamember/> at the ACA's web site. This area includes the ACA Member Handbook, index to back issues of Buntbarsche Bulletin, an online version of the **Trading Post** and the "ACA Store." Access to this area is limited to ACA Members, but that will soon change. Effective September 15, 1998, members can access this area as:

**User Name: obpeacock Password: not**

Breeders and, especially, sellers, of cichlids. We need your help to graphically upgrade our (ACA) internet site. If you have pictures (prints only, no slides) of adult cichlids, and these pictures are of good quality (in focus, good color, and well posed) and suitable for scanning for computer purposes, then we need your help. We are trying to add more pictures to our Internet site. Such pictures will help buyers using the TP, and others, to properly identify cichlids.

Please send your prints to: John Farrell Kuhns, ACA Web Master, c/o AquaScience Research Group, Inc., 1100 Gentry Street, North Kansas City, MO 64116. Prints will be returned if a self-addressed, self stamped envelope is included with the picture. Please identify each picture with a number, cichlid name (both proper scientific and common names), and photographer's name and address. All scanned images will be used by the ACA for its web site, and the photographer does not give up any copyright control. To the extent possible we will place copyright notices on the web site (either in conjunction with each individual photograph or as a blanket copyright notice on the site).

## ACA Board of Trustees Nominations Are Due!

Nominations are being sought for the ACA Board of Trustees. Individuals may nominate themselves by sending a biographical profile to **Ken Davis**, 1781 Barber Creek Rd., Statham, GA 30666, 770-725-9223, FAX: 770-725-0916, fishfarm@mindspring.com. The only qualification is being an ACA member for one year. Biographies are limited to 80 words or less.

Eight nominees will be selected from which four will be elected to two year terms. Nominees will be selected in order to provide a balanced geographic representation of the membership. The ACA is always interested in new volunteers to provide fresh ideas and help improve the ACA. Send in your nomination now!

## Join the American Cichlid Association!

- Regular - 1 year (U.S., Canada, Mexico).....\$20.00

USE THIS SPACE TO ADVERTISE CICHLIDS FOR SALE!

### ACA Slide/Tape Program Rentals

Rental fee is \$12.50 per use with a \$20.00 deposit. Please send separate checks for rental fee and deposit. Programs currently available for rental are as follows:

<b>What is a Cichlid?</b>	<b>The Texas Cichlid</b>	<b>Pseudotropheus</b>	
<b>Heros</b>	<b>Mbuna</b>	<b>Angelfish</b>	<b>Lake Tanganyika</b>

For further information, or to request a rental, contact: **Gene Aldridge, Jr., 1195 N. Van Dorn St., Alexandria, VA 22304-1914, 703-931-9177**

Gene also coordinates the ACA Speaker Program.

### **ACA Cichlid Speaker Program Sponsored by MARINELAND**

The American Cichlid Association thinks the greatest asset to an aquarium society is the benefit received by the membership when a speaker gives a lecture at the monthly meeting. A live presentation by a speaker at a local meeting adds immensely to the enjoyment of the hobby and to further the knowledge of the attendees. The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, now sponsored by Marineland.

Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals.

After selecting your speaker you will need to contact them directly to arrange a convenient schedule. Once the date has been finalized, please contact Gene Aldridge, Jr., 1195 North Van Dorn St., Alexandria, VA, 22304-1914, 703-931-9177. It is imperative to get in touch with Gene because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required.

Transportation for the speaker should be arranged by you. After receiving permission to proceed from Gene, you should submit a copy of your invoice for the reimbursement of travel expenses. Gene must also be notified of a mailing address for the shipment of ACA material. ACA material includes brochures, membership applications and copies of the *Buntbarsche Bulletin*, the official color magazine for the ACA. All societies are limited to one annual participation.

Good luck and cichlid power!

Speakers Available for this program:

**David. D. Herlong** 131 Brannigan Place Cary, NC 27511 919-467-7459

**Dr. Wayne S. Leibel** Biology Department Lafayette College Easton, PA 18042 610-250-5460
