COUPON

One Free BB (#36-145)

Signature _____

This coupon entitles you to one free black and white Buntbarsche Bulletin (#36-145) with the purchase of any other BB or binder.

If you fail to receive the Trading Post, please contact Howard Schmidt, ACA Membership Committee Chair, PO Box 5351, Naperville, IL 60567-5351.

Pulp from the Primary Predator... (This is eight point font) (This is six point font)
 This issue contains the biographies of members interested in serving on the Board of Trustees. This organization depends on volunteers. Please support the ACA by voting. The type got smaller this month because there were so many ads. This issue is nine point, I don't think I can read eight point even with my glasses. If I go to 20 pages, postage goes up considerably, as well as printing costs. Vote for 20 pages by sending me an ad.

Join the American Cichlid Association!

(Please allow four weeks for delivery. Telephone orders will not be accepted.)

ACA Cichlid Speaker Program Sponsored by MARINELAND

The American Cichlid Association thinks the greatest asset to an aquarium society is the benefit received by the membership when a speaker gives a lecture at the monthly meeting. A live presentation by a speaker at a local meeting adds immensely to the enjoyment of the hobby and to further the knowledge of the attendees. The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, now sponsored by Marineland.

Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals.

After selecting your speaker you will need to contact them directly to arrange a convenient schedule. Once the date has been finalized, please contact Gene Aldridge, Jr., 1195 North Van Dorn St., Alexandria, VA, 22304-1914, 703-931-9177. It is imperative to get in touch with Gene because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required.

Transportation for the speaker should be arranged by you. After receiving permission to proceed from Gene, you should submit a copy of your invoice for the reimbursement of travel expenses. Gene must also be notified of a mailing address for the shipment of ACA material. ACA material includes brochures, membership applications and copies of the *Buntbarsche Bulletin*, the official color magazine for the ACA. All societies are limited to one annual participation.

Good luck and cichlid power!

Speakers Available for this program:

David. D. Herlong 131 Brannigan Place Cary, NC 27511 919-467-7459

Dr. Wayne S. Leibel Biology Department Lafayette College Easton, PA 18042 610-250-5460

Steve Lundblad 2030 N.E. 42nd Ave, Portland, OR 97213 503-287-4731

Chuck Rambo 6474 Baguio Ct. San Jose, CA 95119 408-225-9175

RustyWessel 6815 Carolyn Road Louisville, KY 40-214 502-448-1625

Breeders and, especially, sellers, of cichlids. We need your help to graphically upgrade our (ACA) internet site. If you have pictures (prints only, no slides) of adult cichlids, and these pictures are of good quality (in focus, good color, and well posed) and suitable for scanning for computer purposes, then we need your help. We are trying to add more pictures to our Internet site. Such pictures will help buyers using the TP, and others, to properly identify cichlids.

Please send your prints to: John Farrell Kuhns, ACA Web Master, c/o AquaScience Research Group, Inc., 1100 Gentry Street, North Kansas City, MO 64116. Prints will be returned if a self-addressed, self stamped envelope is included with the picture. Please identify each picture with a number, cichlid name (both proper scientific and common names), and photographer's name and address. All scanned images will be used by the ACA for its web site, and the photographer does not give up any copyright control. To the extent possible we will place copyright notices on the web site (either in conjunction with each individual photograph or as a blanket copyright notice on the site).

CANDIDATES FOR THE BOARD OF TRUSTEES

Scott Arney, Morganton, North Carolina. Scott has kept and raised fish for over thirty years. He has actively raised cichlids since the 70's. He has experienced different aspects of the hobby from specialty clubs to retail and wholesale activities. These experiences will provide fresh ideas and energy to the BOT. He would serve to improve communication to the current membership, advocate recruitment of new hobbyists, and encourage the return of former members.

Richard Bireley, El Dorado, California. Rich's considerable experience in running aquarium clubs includes: president of both the Sacramento Aquarium Society (SAS) and the Pacific Coast Cichlid Association (PCCA), board member, annual show chair, BAP chair, review columnist for the Cichlidae Communique, and programs chair. Organized aquarium trips for San Jose ACA convention. Served on the ACA BOT the previous two years.

Todd Fleishans, Royal Oak, Michigan. Todd has kept fish for most of his life, with an emphasis on South American, Central American, and West African cichlids. He currently holds positions as board member and Publicity Chair for the ACA. He is also a member of the Michigan Cichlid Association, holding positions as board member, publisher, and member of the 1999 ACA Convention Committee. He looks forward to furthering the causes of the ACA as a returning board member.

Dr. Eric Hanneman, Eugene, Oregon. Eric didn't have to run, since there were six candidates, but Wayne only would if he did too. Currently your TP editor, he served on the BOT for a year, and was Nominations chair. He spends more time on the computer than he does cleaning his 35 tanks. He reads all those BOT letters and goes to the meetings, so he may as well vote too. He hopes to help finish the overhaul of the ACA started by Chuck Rambo, so more time can be spent in the hospitality room talking about fish than complaining about the ACA.

Tom Morenz, 3935 DeMarc Ct., Cincinnati, OH 45248, 513-574-3128.

CANDIDATES FOR THE BOARD OF TRUSTEES

Dr. Wayne Leibel, Bethlehem, Pennsylvania. Wayne has been in the ACA since 1980 and served two terms on the BOT. He edited Buntbarsche Bulletin for 7 years. Wayne is a Professor of Biology at Lafayette College. His proudest accomplishment was being made a Fellow of the ACA. He wants to put the member back in the ACA.

Dr. Fredric Potvin, Sillery, Quebec. Fredric is a Post-Doctoral Fellow at C.H.U.L. in Molecular Biology. He is very active in his local clubs, holding offices of Chairman, President, and Vice President. He maintains 45 tanks of cichlids from around the world and is mainly interested in conservation of species. He has been in the hobby for more than 25 years. He is a well publicized author with two articles in hobbyist magazines and numerous scientific publications.

Kathy Stearns, Fort Worth, Texas. Kathy, a CPA, manages accounting and data processing departments for First American Title Insurance Company. She joined the ACA in 1989, attended 8 of the last 9 conventions, and co-chaired the 1994 ACA Convention in San Antonio. 20 years a hobbyist, the last ten she has primarily kept cichlids from Lake Tanganyika. She has been a member of the Texas Cichlid Association since 1988 and President since 1993. She is Vice-President of the Federation of Texas Aquarium Societies. She is currently an ACA Board member and Secretary of the ACA.

Patrick A. Tosie, Sr. St. Louis, Missouri. Pat and his wife run a home building business. A tropical fish nut since the age of 6, he currently keeps 135 tanks holding 3000 gallons and has bred over 150 species of cichlids. Pat has been in the ACA for 15 years, was convention chair in 1988 and 1998, and is currently on the BOT. He is editor and on the Executive Council of the Missouri Aquarium Society, Membership Chair of the Cichlasoma Study Group, a member of the Apistogramma and South American Cichlid Study Groups. Pat speaks about and writes articles on breeding cichlids and his 5 collecting trips to Central and South America.
