### Guidelines for Trading Post Advertisements

ACA members only may advertise in the Trading Post. The first ten lines (Sells/Wants) are free. Additional lines are \$5.00 (U.S.) each. Payment and ads must be received by the 15th day of even numbered months. *The next deadline is Tuesday, June 15th, 1999.*

#### HOW TO SEND YOUR AD:

- (1) **E-mail** the ad to ehanneman@uswest.net.
- (2) **FAX** the ad to 541-342-7050 (9AM to 10PM PST usually).
- (3) **Mail** it to Eric Hanneman, 1038 E. 21st Avenue, Eugene, OR 97405.

**ADVICE FOR BUYERS:** Caveat Emptor! The American Cichlid Association is not responsible for the advertisements contained in this publication. All transactions between buyers and sellers from ads in Trading Post are at member's risk. Buyers are urged to obtain a photo reference and full scientific name from seller. Trade names are allowed, but may be made up by collectors, importers, wholesalers, retailers and breeders. Listings that lack a photo reference, and/or include a color in the description, or end in "AS" (Aquarium Strain), may be hybrids between two species.

#### ADVICE FOR SELLERS:

- (1) Your name, address, and shipping instructions have to fit on two lines. No other messages are allowed. Only cichlid species and books may be listed.
- (2) Use the full scientific name on your species listing and give a photo reference. If a photo reference is unavailable, give the collection location, and restrict the use of trade names and color. Append "AS" for Aquarium Strains.
- (3) While the Trading Post will not list known crosses (e.g. red parrot cichlid, OB peacock, Cichlasoma sp. "ebano"), aquarium developed fin shape and color mutants are allowed, provided the seller appends the name with "AS".
- (4) Up to two morphs per line, but only one size and price per line.
- (5) The editor reserves the right to change advertisements and make errors. The goal of the Trading Post is to sell fish, however the editor will strive to standardize names, for the sake of buyers, whenever possible.

Pulp from the Primary Predator:

Just a reminder to sign up early for the ACA Convention hosted by the Michigan Cichlid Association. That way you can get a room as far away as possible from the hospitality room.

Here's a hint for those who want a name, address, phone, fax, website, email, shipping instructions etc all to fit on two lines: leave off the address. If anyone calls or emails you, you can give your address then. Also, I do not list *Synodontis* or other catfish. Plus, if you have other fish available, list them and send me \$5 a line. Otherwise, no one knows.

The GCCA is having its Cichlid Classic May 28th through 30th. Call Jan Cave at 630-980-5933 for more information. The Grand Valley Aquarium Club (Grandville Michigan) Newsletter had a great article on angelfish genetics by Dave Snyder. How about writing something for BB Dave?

Welcome Robert Randall as the new Nominations Chair. Its time to nominate yourself for the BOT. Bids are now open for the ACA 2001 convention. Wasn't the last (Dec) BB great? I'd still like to see more articles from you local yokels. February and April are in the can, and June will be out before the convention if Dave can get a few articles. Put away your crayons and sharpen those pencils. Writing can be very cathartic you know.

## ACA CONVENTION 2001

Bids are now being accepted for this event. Please send a copy to  
 Rusty Wessel,  
 4101 Cane Road,  
 Louisville, KY 40216,  
 and to each of the BOT members (addresses listed in front).

## ACA Cichlid Speaker Program sponsored by MARINELAND

The American Cichlid Association thinks that the greatest asset to an aquarium society is the benefit received by the membership when a speaker gives a lecture at the monthly meeting. A live presentation adds immensely to the enjoyment of the hobby and to further the knowledge of the attendees. The ACA, realizing the financial cost of bringing in an outside speaker, is proud to offer to our members the **ACA Cichlid Speaker Program**, now sponsored by Marineland.

Basically, here's how the program works. Choose your speaker from the list of ACA sponsored speakers. There will be no cost to the club for honorariums and the ACA will pay half of the round trip transportation for any of these speakers to attend your meeting, up to a maximum dollar amount of \$100.00. You will be responsible for all additional expenses including lodging and meals.

After selecting your speaker you will need to contact them directly to arrange a convenient schedule. Once the date has been finalized, please contact Gene Aldridge, Jr., 1195 North Van Dorn St., Alexandria, VA, 22304-1914, 703-931-9177. It is imperative to get in touch with Gene because the ACA has set a limit of 20 total speaking engagements per year for the ACA Cichlid Speaker Program. Availability is based on a first come - first serve basis and a 90 day notice is required.

Transportation for the speaker should be arranged by you. After receiving permission to proceed from Gene, you should submit a copy of your invoice for the reimbursement of travel expenses. Gene must also be notified of a mailing address for the shipment of ACA material. ACA material includes brochures, membership applications and copies of the *Buntbarsche Bulletin*, the official publication of the ACA. All societies are limited to one annual participation. Good luck and cichlid power!

## Nominations, Nominations, Nominations

American Cichlid Association (ACA) needs four new trustees for year 2000. Elected trustees will serve a two year term. Members may nominate any other member or themselves. The only nomination requirement is one year of membership.

Please send a summary of nominees past and present association with cichlids, ACA and any other pertinent information to:

Bob Randall  
965 Beacon Lane  
Apple Valley, MN 55124

or to:

robert.d.randall@healthpartners.com

Summaries need to be 80 words or less. If more than eight nominations are recieved, nominees will be selected to run based on geographical distribution. Summaries of nominees selected to run for election will be published. Nominate now!
